COMMITMENT TO PURCHASE

Pursuant to Section 3-121-6, Hawaii Administrative Rules, it is mandatory that all agencies of the Executive Branch purchase from price lists issued by the State Procurement Office. Further, the chief procurement officers for the Judiciary, the Department of Education, and the University of Hawaii agree and commit to the terms of this price list.

Exception to Price List . When quality level or product design is not suited to any agency's purpose, exception may be granted to the agency by the Administrator of the State Procurement Office. To obtain an exception to purchase outside of the price list, agency must submit SPO Form 5, Request for Authorization to Purchase Outside of State Procurement Office Price List, justifying the exception.

UNIT PRICES include delivery to destination (state agencies on Oahu) and all other costs EXCEPT the State general excise tax, currently 4%. Agencies are requested to add the amount of the tax to their purchase order total.

PURCHASE ORDERS shall contain the following information:

1. SPO Price List No. PL 97-14
2. Vendor Code;
3. Price List item number and brief description of the item;
4. Name and telephone number of requisitioner.

DELIVERIES for purchase orders totaling \$50.00 or more shall be made within three (3) working days in city limits and five (5) working days in rural areas following receipt of purchase order by vendor. Purchase orders totaling less than \$40.00 shall be made available to the using agency on a "will call" basis within three (3) working days and delivery shall be made only at the option of the vendor according to his delivery schedule. Minimum order for each purchase order shall be \$25.00.

Vendor is obliged to deliver the items on this price list. Agencies are advised that if an order is placed and a vendor is unable to deliver within the time allowed for delivery, the agency should arrange with the vendor for an acceptable substitute. Vendor shall deliver an acceptable substitute at the prices listed after prior approval has been given by the ordering agency.

PURCHASE ORDERS must be received by vendor no later than November 30, 1997. It is the responsibility of each State agency to insure that purchase orders are sent to the vendor on a timely basis. Vendor is not obliged to accept any order received after the price list expiration date.

Purchases from this price list are for supplies needed by the agency during the price list period. Do not issue purchase orders specifying delivery after the price list expiration date. (This excludes those orders received by the vendor towards the end of the price list period for which delivery may extend beyond the price list expiration date.)

QUESTIONS to this price list may be directed to Ms. Caroldynne Yamashita at telephone 586-0566.

ROBERT J. GOVERNS, CPPB
